

MISSION GATE Ministry

A Nine to Eighteen Month Residential Aftercare Program

"If you hold to my teaching, you are really my disciples.
Then you will know the truth and the truth will set you free"
John 8:31a-32.

When you arrive at your destination, St. Louis or Cuba, just call the emergency numbers and we will pick you up and bring you to your new residence. Please try to make these arrangements ahead of time so you will not have to wait.

We will connect you with your parole or probation officer at the soonest possible convenient time.

We are automatically approved as an aftercare facility by the city, county, state and federal parole and probation departments of each respective jurisdiction.
